The Friends

Libraries are an integral part of thriving communities and we do our part to help make sure our Library is healthy and vibrant in Goffstown. We are an all-volunteer, nonprofit organization.

The Friends support the American Library Association's Library Bill of Rights, which expresses the rights of library users to intellectual freedom. *We exist to help the Library serve you better.*

We also sponsor or subsidize many library programs throughout the year, purchase materials and services that are needed beyond what is allocated in the library's operating budget.

The Friends are a wonderful network of community volunteers who work tirelessly to make events successful and provide a presence in the Library and greater Goffstown community.

Become a part of our special events, fundraisers and community spirit!
