

Ad Hoc Committee on Strategic Planning
Wednesday, February 16, 2022
Goffstown Public Library
3rd floor conference room

In attendance: Diane Hebert, trustee; Kathy Holt, trustee

Diane and Kathy discussed the upcoming presentation of goals / town profile / library profile to the board. Diane will present and note any comments or suggested revisions.

The possibility of having outward / inward facing goals was discussed. Most audiences for the strategic plan will want short and concise goal statements, but the board needs steps and timelines. These could be created by committees.

No meeting scheduled for March pending outcome of election
